The applicable Terms for User Contributions are available on the Website at all times.

Article 3: Registration for the Service

3.1 Before Content or Metadata can be contributed to the Website, the User must create an Account in the manner described on the Website. During registration, the User must also enter a Username and a Password, which will provide access to the Account.

3.2 It is the responsibility of the User to keep the Username/Password combination confidential. The User is therefore responsible for all use that is made of the Service through the Username and the Password. Europeana may assume that the User is in fact the person who is seeking access with the Username and the Password that belong to him. As soon as the User is aware or as soon as he may have reason to suspect that a Username and/or Password has become known to unauthorized persons, the User must notify Europeana immediately. This does not affect his own obligation to take effective measures immediately, such as changing the Password.

3.3 If the User is younger than 16 years of age, he is only allowed to use the Service if he has the consent of his legal representative(s). By accepting these Terms of Use, the User guarantees that he is in fact 16 years of age or older, or that he has obtained the consent of his legal representative(s) to create an Account and to use the Service.

3.4 Europeana reserves the right to alter the login procedure, the Password and/or the Username, if it considers this necessary in any way, for instance if this is in the interests of the operation of the Service. In that event, the User will be notified of this by email using the Email Address.

Article 4: The Service

4.1 The User accepts that the Service only contains the functionality and other features found by him when using the Service. The Service is, therefore, delivered “as is”. Europeana expressly excludes explicit and tacit guarantees, undertakings and warranties of any nature whatever, including but not limited to guarantees, promises and warranties with respect to the quality, safety, availability, lawfulness, integrity and correctness of the Service.

4.2 Europeana does not guarantee that the Website and/or the Service will at all times be accessible without interruptions or failures. Failures in the Website and/or the Service may occur as a result of, amongst other things, failures in Internet or telephone connections or because of viruses or faults/defects. Europeana is in no way responsible or liable for compensating the User for any damage or loss arising from or as a result of the Website and/or the Service being unavailable or temporarily unavailable, or in case of a breakdown of the Website and/or the Service.

4.3 Europeana is entitled, without any prior notice being required and without being liable to compensate the User, to close down or to temporarily close down the Website and/or the Service and/or to limit the use of it if it considers this necessary, for instance in connection with any reasonably necessary maintenance of the Website and/or the Service.

5.2 In as far as the User is the proprietor of the Intellectual Property Rights in the Content contributed by him; he hereby authorizes Europeana to perform article 5.1 with respect to that Content. In as far as the User is not the proprietor of the Intellectual Property Rights in the Content contributed by him, he guarantees that either;

- he is authorized by the proprietor of the Intellectual Property Rights in this Content to authorize Europeana to perform article 5.1 with respect to that Content; or
- the Content is Public Domain.

5.3 In as far as required in addition to the rights granted under Article 5.2 in conjunction with Article 5.1, the User grants Europeana a free, unencumbered, world-wide, non-exclusive license for use, reproduction, distribution, communication and making available to the public of the Content, to the extent that this is necessary for the Service to be provided.

5.4 The license referred to in Article 5.3 ends once the User and/or Europeana remove(s) the relevant Content from the Website, or once the Account is removed by the User and/or Europeana, except for the situation where and in as far as Content has become part of a curated collection of Content on the Website which has been created by Europeana1914-1918.eu or Europeana.eu or by Users of the Website.

5.6 Although the Website will indicate that use by third parties of the Content contributed by the User is governed by the Terms of the Creative Commons Attribution ShareAlike license, the User acknowledges and accepts that Europeanana is not responsible and/or liable for compliance by Visitors with the Creative Commons Attribution ShareAlike license.

7.1 The User is aware of and accepts that Europeanana has no knowledge of Content and Metadata that is made available through the Service. Europeanana does not verify, inspect and/or edit the wording of this Content and Metadata, nor is it obliged to do so. The User himself is fully responsible and liable for any acts he performs with the help of the Service, in particular with regard to the placement of Content.

- h. that involves chain letters, junk mail or spam and/or that requests passwords or other information traceable to individuals for commercial or illegal purposes, or which envisages other commercial purposes;
- i. that contains viruses, Trojan horses, worms, bots or other software that may damage automated work or data, render it unusable or inaccessible, delete or appropriate it, or that is intended to circumvent technical protection measures of the Website and/or Europeanana's computer systems;
- j. that is in violation of any applicable legislation and regulations;
- k. that is in violation of any of the other provisions of these Terms of Use.

7.3 The User indemnifies Europeanana against third-party claims that are based on the statement that Content or Metadata placed by the User with the help of the Service in some way infringes the rights of third parties and/or is unlawful in any other way.

7.4 Without being required to give notice or without being liable for compensation, and without prejudice to Europeanana's right to take further legal action, Europeanana reserves the right to remove Content or Metadata or to close an Account if it considers there are grounds for doing so, in particular in, but not limited to, cases in which in Europeanana's opinion the User breaches the provisions of this Article 7 or any other provision of these Terms of Use.

Article 8: Privacy

8.1 In connection with the Service the User will provide Europeanana with personal data as meant in the Dutch Personal Data Protection Act (Wet bescherming persoonsgegevens ("Wbp")). Europeanana will only process and use these personal data where necessary in connection with the Service, and it will not supply these personal data to third parties in any manner whatever, unless it is legally obliged to do so.

8.2 The User understands and acknowledges that the Username entered by him upon registration will be displayed in connection with the Content and/or Metadata and that any personal data in the Username will be disclosed. The User can change his Username himself.

Article 9: Liability

9.1 Europeanana assumes no liability for damage or loss as a result of any failure in fulfilment of the provision of the Service, including but not limited to damage or loss arising from or relating to the use of the Website and/or any impossibility of using it, or as a result of any unlawful act or otherwise, unless this exclusion of liability is not allowed under mandatory provisions of law.

9.2 Europeana assumes no liability for the substance of the Content and/or Metadata, nor, therefore, for damage or loss to Users or other third parties that arises from any unlawful substance of the Content and/or Metadata.

9.3 The User indemnifies Europeana against all third-party claims on any grounds whatever that relate to the compensation of damage, loss, costs or interest, in connection with or arising from his use of the Service and/or any breach of these Terms for User Contributions and/or any other rights of third parties.

9.4 This restriction of liability does not, however, intend to exclude Europeana's liability for intent and/or wilful recklessness by Europeana ("own actions") itself and/or its executive managers.

9.5 The only action the User may take if he is of the opinion that he has sustained any damage or loss, is to cease using the Service and close his Account.

Article 10: Duration and Termination

10.1 The User is entitled to cease using the Service and close his Account at any time.

10.2 Europeana is at all times entitled to terminate and/or suspend the availability of the Service to the User if it considers there are grounds for doing so, without creating any liability on its part towards the User.

Article 11: Miscellaneous, Applicable Law and Competent Court

11.2 Where national or international rules of law do not contain mandatory provisions to the contrary, all disputes between the User and Europeana will, at the discretion of the party serving a summons or the party making an application, be brought before the competent court in the district of his place of residence or place of business, or before another court that is competent pursuant to national or international rules of law.

11.3 Should any provision of these Terms for User Contributions be or become invalid, the User and Europeana will remain bound to the remaining provisions. Europeana will replace the invalid provision by a valid provision, in accordance with the object and purport of these Terms of Use, in such a way that the new provision differs as little as possible from the invalid provisions.
